To whom it may concern:

Shulman Roofing Inc. has been our preferred Roofing Contractor since 2006.

We enlisted Shulman Roofing originally for a high profile client that required no glitches or concerns. They came highly recommended. They performed flawlessly then and have continued a very professional approach to their trade today. That is why we continue to use their services. Over the years it is refreshing to work with a true professional contractor that delivers what they promise, when they promise.

I heartily recommend Shulman Roofing Inc. with confidence that they will perform with superior results for whom ever is fortunate to use their services.

Sincerely,
